### VICE TRUST LEADERS USE MOVIES AS LURE; BOTWIN COMMISSION INVESTIGATED

The statue of White Slavery by Elia Buchanan; Innocence nailed to the cross by Lust.

New York seems in fair measure to go through another terrible exposure of White Slavery's tactics. The confession of one Yushe Botwin, who admits that he has been in the white slave business for twenty years, has implicated men of prominence. His confession contains names, dates, and addresses. The trail of vice begins in movies where girls attend alone, and ends everywhere, extending up-state New York into Paterson and other Jersey cities.
